Daily Cleaning Service

Essential to the success of any professional cleaning contract is the ability to create meaningful communication. Each account has a dedicated Area Manager / Area Supervisor to ensure the smooth running of the contract and provision of "Intelligent Cleaning Services".

Key Functions of our Area Managers / Area Supervisors:-

- Regular Client Meetings
- Staff Management / Training
- Audit Management
- Financial Management
- Management of Services
- SLA Implementation / Management

All sites receive scheduled audits and are visited regularly by our Area Supervisor and Area Manager.

Services

Cagney Contract Cleaning provides a full range of Daily Office Cleaning and related services. Bundling of services can mean real savings in time and money.

- Daily Office and Contract Cleaning
- On Site Janitors and General Operatives
- Canteen Assistants (Tea / Coffee Service)
- Washroom Consumables
- Air Freshener Units
- Hygiene Services (Sanitary Vending and Disposal)
- Waste Management Service
- Confidential Shredding
- Recycling Programmes
- Pest Control Service
- Managed Garment Rental Service
- Dust Control Mat Rental Service

PA Testing is completed on our portable electrical equipment annually. A full site asset register is available on request.

We offer the latest in dispensing technology for washroom consumables. Cost in use benefits, when compared to traditional systems, will demonstrate where savings can be achieved. Controlled dispensing reduces consumption and innovative design ensures cost effectiveness.

Industrial Cleaning Services

Pharmaceutical Cleaning

We have significant experience in the provision of cleaning services to the pharmaceutical industry. Our staff are trained to be compliant with your Standard Operating Procedures (SOP) and to understand the critical importance of adhering to your guidelines.
